Volunteer Activities (School or Community)

List any activities related to your topic including any leadership roles.

Month/Year – Month/Year Activity

Criteria Checklist

One-page application

Detailed description (one page) of how you propose to use the funding. This description should include:

- The purpose of the program or project
- A description of the program or project
- The expected outcome (how will you benefit from the experience)
- How the program or project will be evaluated (include evaluation of project by educator or a certificate of program completion)
- What resources will be used (including travel costs to program, materials used to create the project)
- A budget (cost of the program or project including resources used)

Additional Materials

- School projects or papers,
- Listings of honors or awards won,
- Other evidence of academic creativity and success

Deadline for applications is **April 1, 2012**. Winners will be notified by **April 15th, 2012**.
